ISSUE NO. 104

SAFAR 1443/SEPTEMBER 2021

POP IN - POP OUT

The Coronavirus pandemic has turned the world upside down since January 2020 and everyone has been affected in one way or another.

In keeping with our founding mission, we have over the last two and half decades engaged with the community through programs in Masaajid, schools, community fairs, exhibitions, Annual General Meetings, family events etc. in many parts of the country. We miss the robust interactions and discussions which was so much a part of our modus operandi. We have embraced the digital culture as the world has while we ride out the pandemic storm by Allah's Will, for your safety, ours and the community at large.

As we gear up to continue our friendship and engagements in the digital space, we urge you and your family to subscribe to receive information and participate in the interactive programs. You can do so by popping us an e-mail with the subject line "*subscribe*".

We are cognisant of the purpose and importance of the Protection of Personal Information Act (POPIA) and will not send you any unsolicited information or share any data with marketing agencies. If at any stage, you wish not to receive our mailings, simply POP Out by hitting the "*unsubscribe*" button.

Our very existence and purpose is to serve you. Click here to view our communication streams to stay in touch.
