## NEW YEAR - OLD TRADITION

Milestones are fundamental to the human psyche. A period of time, be it a new year, a new month, a new season, a new change such as marital status, career change, relocation etc. all serve as markers - bringing new challenges, requiring new plans and new resolutions for improvement to one's development and the *status quo*.

We welcome and embrace this maxim as an opportunity for introspection and reflection on our conduct and performance in carrying out our tasks and obligations to our Creator, our family & friends, our employer, our staff and society. In embracing, this maxim, we seek to uphold and maintain our **25 year** tradition of striving and living up to the founding principle of being **transparent and accountable**.

The Noble Qur'aan enjoins us the Believers, "... *Betray not the trust of Allah and His Messenger, nor misappropriate knowingly things entrusted to you.*" (Surah 8, Verse 27)

Alhamdulillah, over the years, we have managed to consistently host public Annual General Meetings (AGM's) in the major cities of the country with audited financial statements as well as operating details presented to the attendees by the **SANHA** officials. This provides our subscribers and the broader community insight and protection on issues such as our source of income and whether this is derived by regressive taxation of the Muslim community via donations etc. or by pandering to businesses with vested commercial interests.

Notwithstanding the COVID pandemic restrictions and safety protocols, we have, Alhamdulillah, kept the tradition of transparency & accountability alive by posting information on our media streams. Visit our website [www.sanha.org.za](http://www.sanha.org.za) to view the latest abridged Audited Financial Statement.

*"O you who believe! fear Allah and be with those who are true (in word and deed)"*  
(Surah 9, verse 119)
