ISSUE NO. 114

DHUL HIJJAH 1443/JULY 2022

## TOWARDS PERFECTING OUR UDH-HIYYAH (QURBANI)

Eid al-Adha (the festival of Sacrifice) is amongst the most important of occasions celebrated by Muslims globally on the 10<sup>th</sup> of Dhul Hijjah. It commemorates and honours the willingness of the Prophet Ibrahim (Abraham) peace be upon him to sacrifice his firstborn son Ismail (Ishmael) peace be upon him, as an act of total submission and unquestionable obedience to Allah Almighty, who through His magnanimous compassion intervened and provided a ram from Jannah (paradise) to sacrifice instead.

In commemorating this great act of submission, we are saying; O Allah! I am even prepared to lay down my life for you. Therefore, it is imperative that we strive for maximum reward by executing Qurbani with enthusiasm and perfection. Be on guard against inadvertent errors and transgressions, which nullify the rewards or even the validity of your Qurbaani (Udh-hiyyah sacrifice). Ensure that it is carried out in strict accordance to the Shar'iah (Islamic law).

*“And who could be of better faith than he who surrenders his whole being unto Allah and is a doer of good and follows the creed of Ibrahim who turned away from all that is false – And Allah chose Ibrahim as His intimate friend.”* (Chapter 4, Verse 125)

We are honoured and privileged to provide information that may assist you with this great Ibadah.
