NEW YEAR MUHARRAM 1442

The end of this week ushers in the new Islamic Year of 1442. It brings with it a fresh opportunity to draw closer to our Creator in the year ahead and apply valuable lessons learned from the past year. Lessons that were unique for we experienced a situation that we never thought possible in our lifetime. We had to adapt with lockdown regulations on prevention of the corona virus and thereby making the possible to the impossible and vice versa.

We name but a few:-

Weddings and funerals restricted to 50 people, working from home, increasingly ordering goods online, rediscovering the joys of home cooking and partaking in family dinners.

New found respect for people taken for granted by many, such as our Masaajid (mosques), health workers and professionals, shelf packers, refuse collectors, law enforcement agencies, workers in the food industry, our dedicated SANHA team who ensured Halaal assurance on the flow of Halaal products despite personal risks on travel to audits.

We ask Allah to accept all our good deeds for the previous year and to pardon all of our sins.

May Almighty Allah make this Islamic Year, 1442 Hijrah most spiritually rewarding and grant ease and relief from the COVID 19 pandemic, Aameen.
