# **TIMELESS SOLUTION FOR THE NEW YEAR AND BEYOND**

The COVID 19 virus first made its appearance in the new year of 2020. By this new year of 2021 it escalated with frightening rapidity to a full-blown worldwide pandemic with the death toll rising to 2 Million.

While science and technology look for solutions albeit with no end in sight, people are turning to prayer, bowing down and prostrating with pleas for deliverance from the dreaded Corona virus. Notwithstanding the importance of such spiritual connection, we must always be cognisant of the importance of Halaal consumption and the effect it has on our prayers and acts of worship. Allah Ta'ala decrees, ***“O you who believe! Eat of the good things that We have provided for you, and be grateful to Allah, if it is Him you worship.”*** (Chapter 2, Verse 172)

**SANHA** has been proactive during the pandemic ensuring Halaal compliance with continuous on-site audits notwithstanding the enormous challenges and risks faced by its personnel.

New year or not, stick with the timeless solution of ensuring that we consume Halaal.

## **AND REMEMBER THE GOLDEN RULE: WHEN IN DOUBT, LEAVE IT OUT!**
